Ready To Relaunch: A letter from Pastor Lenny Weston

“After a day and a night, the Holy Spirit entered my room, miraculously eradicated the infection from my blood and restored me to complete health.”

Dear Friend,

I trust that Christ's fullest blessings are with you!

I wanted to write a personal note to inform you of some exciting news! Because of our friendship and common bond in laboring to see the Kingdom of God advanced for so many years, I want you to be the first to know that we are relaunching Vision Ministries International.

One year ago, a holiday trip to visit family in Virginia ended in the Critical Care Unit of a hospital. Bacteria poisoned my blood and threatened to take my life. The septic infection shut down my kidneys and forced doctors to intubate me in order to take the strain of breathing off of my heart and lungs. The medical staff could not determine the source of the infection despite rigorous testing, and eventually sentenced me to a likely death... **Continued On Page 2**

Pastor Lenny and VMI planted the Bridge Church in 2003. The Bridge serves the local body of believers in Columbus, Ohio and will serve as a hub for students from around the world to be fed, trained and released into the community and foreign missions.

...death or a lengthy rehabilitation to recover the ability to walk and feed myself.

During these days of sedation the Lord appeared to me. He began to journey with me, showing me scenes of specific people in various nations I had ministered to in the past. He graciously encouraged me about His call upon my life. He reminded me about the prophetic word I had received from Kris Vallotton just four years prior.

Kris prophesied the enemy's intent to attack me twice, trying to kill me in order to end my ministry upon the earth. However, with each attempt, God would heal me and raise me up and would thrust me once again into the nations. As a result, multitudes of souls would be saved, delivered and empowered.

I awoke after five days of sedation with tubes running down my esophagus, six different drugs being pumped intravenously into my system and a desperately low white blood cell count. I was unable to speak or even write my name.

After a day and a night, the Holy Spirit entered my room and miraculously eradicated the infection from my blood and restored me to complete

health! I thank God for those of you who prayed and stood with me for a complete recovery.

God has continually reaffirmed his apostolic call on my life through the confirmation of several trusted prophetic voices in my life. He has called me back to the nations promising to meet me, and others who will labor with me, to bring salvation, healing and transformation. Once again we will be used to train and develop young men and women to go into the nations and preach the gospel of Jesus Christ!

ROMANIA

We have been working to strengthen and equip a local church in Timisoara, Romania over the last year by financially and spiritually supporting the pastor on a monthly basis and by developing leadership in the local church. Our goal is to have a full-time VMI staff member living in Romania to help coordinate open-air crusades planned for 2016.

WALES

We are working evangelistically in partnership with the local church in the Swansea Valley to reach the city of 300,000 and the surrounding towns with the gospel through community ministry and crusades.

AUSTRALIA

I will be in Australia throughout the month of December preaching, equipping and ministering to local churches. I will also be strategizing the development and implementation of evangelistic teams for church-planting purposes throughout the continent.

We are earnestly asking for your prayers and your financial support as a result of these exciting opportunities.

We need your support to build toward the following goals as we re-launch this apostolic work:

- Coordination of City-Wide Crusades
- Develop Apostolic Training Hubs To:
 1. Train men and women in supernatural schools of ministry
 2. Strengthen churches by supplying them with the tools to win souls in their community

Your financial support will afford us the resources necessary to raise up teams and allow for the structured support of the ministry done in these nations. I am seeking 100 partners willing to donate \$50 a month toward this cause.

I am so grateful for your support, and I gratefully welcome a monthly or one-time gift of any amount.

To send your financial support, please see the giving instructions below. To correspond with me personally, you may email me at vmilenny@gmail.com or vmirelaunch@gmail.com.

I love you very much, and thank you for your prayerful consideration.

Sincerely,

Lenny Weston
